<b>Softwares</b> Microsoft Office	<b>Basic knowledge in</b> C++, Blockchain, AWS

## Strengths

**Teamwork skills**

**Good communication, analytical and practical skills**

**Problem-solving ability**

**Multitasking and time management**

## Projects

### Decentralized Land Agreement Registration using Blockchain technology

Land registration authorities are frequently held accountable for the alleged mismanagement and manipulation of land records in various countries because of the centralized systems. In this project we developed a decentralized system using blockchain technology to decrease the flaws in centralized systems. We used Python to develop this blockchain technology and ran different test cases to get the appropriate output.

## Extra curricular activities

Rendered my service as Coordinator in ECO CLUB in SACET College.

Rendered my service as member in Sports CLUB in SACET College.

## Hobbies

- Reading books
- Learning new technologies
- Playing cricket
